MEMORANDUM FOR: Special Assistant to the Director
for Planning and Development

SUBJECT : ARC Middle East Requirements

1. This week, as you know, coverage of the Middle East was accomplished in two missions, one for Egypt and one covering the north and east area. The ARC is agreeable that in the present circumstances one mission a week covering the area (two sorties, one for the north and one for the south) should be adequate. I have so informed Operations DPS/DCI. Requirements will be updated as of the COB Friday, and Operations DPS/DCI will lay its plans for running the sorties for the first of the week.

3. I fear that they may think me a bit rough because of my insistence that it is just as important to ensure knowledge of reliability and promptness of reporting [redacted] in which regard they have at no point spared our time and effort.
